

Fooding Around Maine

Tuesday, November 14, 2017

Whether you're a novice or an experienced cook we invite you to join us for a fun filled culinary adventure!

Stonewall Kitchen in York, Maine started from humble origins, but is now nationally renowned for their gourmet, specialty foods. They have opened their kitchens to the public in the Stonewall Kitchen Cooking School, voted "the Best Cooking School" by the Taste of the Seacoast Magazine. We'll enjoy their "Learning with Lunch" cooking class where we will learn the secrets for making a delicious meal, and you'll get to sample the recipes that are prepared, as they will be served to

us for lunch. You'll go home with recipes for all of the dishes prepared and a clear understanding of how to recreate them in your own kitchen. You'll have the opportunity to purchase the finest tools, appliances and utensils used by the chefs after lunch.

Then, enjoy some free time in Portland to shop some of their fine culinary stops, including LeRoux Kitchen, where you will find tools, gadgets, and cookware and you can sample varieties of aged balsamic vinegars and flavored olive oils. We will also stop at When Pigs Fly Bakery to shop their large selection of fresh baked breads.
